REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The terminal disclaimer filed on January 9, 2004 disclaiming the terminal portion of any patent granted on this application that would extend beyond the expiration date of US Patent No. 6,605,410 has been reviewed and is accepted. The terminal disclaimer has been recorded. This removes rejections with respect to instant claims 10-14, 18-20. Applicants also added the limits of claim 21 to claim 10 removing this rejection as well. Thus, claims 10-14 and 18-20 are allowed because of either action removed all remaining rejections and objections.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cynthia Hamilton whose telephone number is 571-272-1331. The examiner can normally be reached on Monday through Friday from 8:30 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mark Huff, can be reached on 571-272-1385. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
